SECRETARY'S REPORT.

Covington, Ky., Jan. 12, 1903.

To the Board of Trustees, Covington Protestant Children's Home:

GENTLEMEN—I have the honor of presenting to you, your co-workers and others, the twenty-second annual report of the institution for the year 1902.

We feel assured that its pages contain something to interest, instruct and encourage those who are in active sympathy with the work of improving the condition of human society and especially of caring for—until suitable homes are found—neglected and homeless children who will eventually become Christian mothers, intelligent voters and substantial citizens.

One of the encouraging features of this report is the large number of persons who are represented on the list of contributors. It embraces the names of many young people who (thus in early youth) are being taught the ennobling virtue of kindness.

While the Home exerts an important influence as an object-lesson, alone, still the very liberal support accorded it by the residents of our city and county should be attributed to the efforts of members of the Board of Trustees and of the Board of Managers, through which subscriptions and donations were secured.

The Board of Managers met with gratifying success by the adoption of the so-called "Calendar Club" method. The ladies deserve much praise from the fact that they not only subscribed liberally themselves, but they cheerfully sacrificed a great deal of time and convenience, enlisting the assistance of many of our generous citizens. The names of all subscribers are given elsewhere, and for further information regarding the "Calendar," you are respectfully referred to the interesting report submitted by the Corresponding Secretary. The statistical report herewith, if compared with that of a year ago, presents some very satisfactory aspects. There was an increase of twenty-eight in the number admitted; and an increase of eighteen in the number for which provision was made. Thirty-one children were returned to parents and friends, which seems to indicate that those from whom they had been received, had become so circumstanced as to be again able to care and provide for them. It is apparent, when business in general is in a thriving condition, the demands made upon the Home will be considerably diminished.

By referring to the statement of expenditures, it will be observed that quite a large sum was expended for improvements and repairs, which, in connection with the increased cost of articles that it was necessary to purchase and the small number of children present during

a portion of the year, has added very materially to the expense of maintenance.

Approximately, there was expended for the support of each child \$2.90 a week.

Fortunately, there has been no serious illness, with the exception of one case of typhoid fever, which required the services of a special nurse for a few days. Dr. W. W. Ranahaw was called in the case, and the child received his prompt and faithful attention until its recovery.

The Home is under renewed obligations to all of the physicians composing the Board. They have cheerfully and promptly responded when called upon. Sincere thanks are extended for their invaluable services.

Much to our regret, at the close of the year, Dr. W. H. Kelly resigned the position which he had most acceptably filled for about twelve years. For the inestimable services so generously bestowed, for so long a time, he is tendered hearty thanks and best wishes. He has been succeeded by Dr. W. W. Tarvin, who has kindly consented to fill the vacancy.

The anniversary of the Home was celebrated on the evening of May 27. A fine program had been arranged by the committee in charge, and its rendition delighted all who were so fortunate as to be present. Sincere thanks are extended to those who kindly volunteered their services. As a token of appreciation, we have given the program a page in our report.

During the year the children have received many marks of attention and kindness from friends. We are under many obligations to the teachers and pupils of the schools of the city, also to those of West Covington, Ludlow, Erlanger, Crescent Springs and Central Covington, for liberal donations to the Pound Party.

An occasion of special interest was the outing at Coney Island given the children by Col. L. H. Brooks, who saw that the gates to the company's magnificent pleasure-grounds were opened wide for their reception. The day was truly a happy one, and the kindness of their genial host shall never be forgotten.

October 5, "Rally Day," was observed at the Home by the Sunday-school, and on December 21 a Christmas praise service was held. For the occasions the children were given prominent places on the program, and they did so well that those present were much pleased. Rev. J. W. Mitchell delivered an appropriate address on the former occasion and Rev. B. F. Swindler on the latter. Mr. Cord and Miss Boude will be delighted to have friends call and see the Sunday-school. A most pleasing incident in connection with the praise service occurred at its close, when Mr. W. A. R. Bruehl, the superintendent of Immanuel M. E. Sunday-school, handed the Matron six dollars, the amount of collection taken that day in the Sunday-school, to be expended for ice-

cream, etc., on Christmas Day. If the members of the school could have seen the happiness of the children on that day, they would have felt amply repaid for their generous contribution.

To each and to all who in any way have manifested a kindly interest in the welfare of the children, sincere thanks are extended. We bespeak for them the continued support of a kind-hearted and Christian people.

We conclude our report with the following table of STATISTICS

The statistics for the year are as follows:

REPORT OF THE SECRETARY OF THE BOARD OF MANAGERS

Covington, Ky., Jan. 12, 1903.

To the Board of Trustees of the Protestant Children's Home:

GENTLEMEN—We have come to another landmark in the pathway of life, and on it is written 1903. As we turn the last page of the record of life in 1902, and see before us the white, unsoiled pages of the book of 1903, we earnestly raise our hearts in prayer to our all-

wise Father to assist us in keeping its pages not only as free from evil deeds and thoughts, but as full of good ones as is possible for poor, frail human nature, that at the end of another year it may not be with shame, but thankfulness, we review its record.

Our first duty at this time as "Managers" is to render to you an account of our stewardship of the important trusts committed to us.

At our February meeting it was decided to raise money by means of a yearly Calendar, as that method had proven successful in other places, and, if successful with us, would relieve us of the necessity for giving so many entertainments, of which both the public and "Managers" were tired.

This Calendar has been our only work financially for the whole year of 1902, and up to this time has not been completed. Mrs. Jos. Finnell, Treasurer of the Calendar fund, has a carefully prepared report of this work, which, when completed, she will endeavor to have one of the daily papers print entire, that the public may see just how and what it is, and every one who has kindly helped us in this will receive due credit.

The year and months of the Calendar are as follows, the year representing a gift of \$50.00; the months, \$25.00; besides much work for weeks and days:

Year.....	MRS. BRADFORD SHINELE.
January.....	MR. BRADFORD SHINELE.
February.....	MRS. AMOS SHINELE.
March.....	MRS. JOS. FINNELL.
April.....	MRS. VAL P. COLLINS.
May.....	MRS. S. G. BOYD.
June.....	MRS. GEO. HAMILTON.
July.....	MRS. C. M. THOMAS.
August.....	MRS. JOHN SIMPSON.
September.....	MRS. R. T. MILLER.
October.....	MRS. J. D. PARK.
November.....	MR. R. P. ERNST.
December.....	MRS. KATE JAMES.

At the January meeting of the "Board," Mrs. Finnell reported \$917.80 collected, leaving a balance of \$372.30 to complete the year of fifty-two weeks and 365 days. This we hope to raise before the first of March, which will be just one year from the time the first money was paid into this fund.

We are rejoiced that for the past year we have had no deaths or serious illness to report, either in the "Home," or among the members gradechildren and have a great time riding the coits when the of our "Board." No epidemics in the "Home" except the fast of February and first of March a short siege of mumps. We have not in years been able to chronicle such a satisfactory truth with regard to the health of all connected with the institution.

Every year until this since the present Secretary has been in office, we have had to recall with sad hearts the removal by the relentless hand of death of some one in the work whom we loved and needed; this year we thank our kind Father we have been spared that affliction.

When the report for last year was written, we gave no opinion of our Superintendent and Matron. As they had been such a short time in the "Home," we could not form a just estimate of their ability. In the past year they have proven themselves fully competent to care for the many important interests committed to their keeping; both the house and the children show evidence of kind and careful management.

The "Pound Party" the last Thursday in October was rather above the average in some of the school donations, the "High School" and "Rugby" doing better than they had ever done. "Rugby" also made several donations during the year, one especially nice one at Thanksgiving. We appreciate every kindness to our "Home," but especially is this the case when it is an evidence of interest and kind feeling in the young, for upon their shoulders will have to fall the burden of all the charities of our city in the future, and a training now in intelligent giving, while it keeps alive an interest in the work, is also a good preparation for future usefulness along these lines. In connection with the "Pound Party" we feel especially grateful to Miss Statira Childress, of Erlanger, who for the last two years has seen to the collecting and bringing to the "Home" of nice donations from the Erlanger School.

Thanksgiving and Christmas the contributions were abundant, so that the little ones were provided with many of the good things of the season.

To every citizen of Covington who has in any way assisted us in our work the past year we extend our hearty thanks, and as we enter upon our new year's work we ask a continuance of their favors to our beloved charity, and we earnestly hope the "Board" for 1903 will have more and better work to report to you than has fallen to our lot.

Respectfully submitted,

LUCY C. WILLIAMS, *Cor. Sec.*

REPORT OF SUNDAY SCHOOL TEACHER.

Covington, Ky., Jan. 12, 1903.

To the Board of Managers, Covington Protestant Children's Home:

DEAR FRIENDS—I take great pleasure in stating that our Sunday-school is in good standing. The children are very attentive, and through the kindness of your efficient Superintendent and Matron I am able to accomplish much work—more than ever before. We rejoice in seeing so many of your members with us at different times. I am grateful you have come in with us in the good work being done in our city. I am indebted to Mr. H. K. Lindsey for papers; they have helped us greatly. You have wisely chosen faithful servants of God to rule over the Home in every position. We dwell in love and friendship. I wish to thank all who have given help the past year.

I cheerfully submit the above report.

Yours truly,

LIDA V. BOUDE, *S. S. Teacher.*

Tell the children to think of me when eating their fried chicken. Tell Mr. C. the baby here has part of his name—Robert. I am thankful for my good home. With love to all.

MR. AND MRS. C.:

Dear Friends—I want to tell you I have a good home. I love my mamma. I go to Sunday-school and church. I have joined the church. I go to school. I love my teacher. She says I am getting along fine in my books. Mamma says for you both to come to see us. Mamma says I am a good boy, and lots of help to her. I write again soon.

Your little boy,

EDDIE.

Mr. and Mrs. C.:—I am pleased with my home. Sometimes the weather is good. I am going to school. I can harness the horses and hitch them to the wagon. I can also hitch the horse to the buggy as well as any one and drive anywhere. I have a fine time gathering eggs; we take them to the market. Mr. C, I am awful glad you found me this good home; hope you will find all of the other boys a home like this. I am well and a great big boy. Good-by.

JAMES.

This has been a very pleasant year to us in our new work. Notwithstanding the many discouragements that beset a work of this kind, I have personally investigated and found homes that can not be questioned, for twenty of our children during the year. Have received letters from many of those placed in homes. Have visited a few of the children during the year, and found them doing nicely, and with few exceptions the requirements necessary to the happiness and future welfare of the little ones were all that could be desired. The above are only a few of the many letters received, as space is limited.

May the Lord continue to bless us in our work.

R. B. CORD, Supt.

SOMETHING TO KNOW.

It is desirable that the citizens of Kentucky generally, and of Covington particularly, should know that the Trustees of the COVINGTON PROTESTANT CHILDREN'S HOME are desirous of finding suitable homes in private families for the children under their care.

It is desirable, also, that they should know that these children are in general of good physical constitution, of average mental capacity, and that their daily deportment is commendable.

There is not a child now in the HOME but that, with proper care and training, would become an intelligent, worthy and respected member of society.

Persons of good moral character, who may need a child to raise, or who may desire to be a blessing to some homeless one, can not do a better thing than to adopt one of these children from our HOME.
