

1004.)

Post Office Department,

OFFICE OF THE FIRST ASSISTANT P. M. GENERAL,

WASHINGTON, D. C., _____, 1879.

SIR: Before the Postmaster General decides upon the application for a new post office at Muller Cross Roads, County of Brockton, State of Kentucky, at which you are recommended for postmaster, he requires that the blanks in the following statement be filled, and the questions carefully and correctly answered, verified by your signature, certified by a neighboring postmaster, and returned to this Department, addressed to me. The contractor should be informed of this application; and if the site of the proposed office be off the mail route, you will forward his certificate as to the practicability of supplying it, and also as to the increase of distance. If the proposed office is not on any route now under contract, it can only be established as a "Special Office," to be supplied without expense to the Department other than net proceeds.

Be careful to designate the post offices by their true official names; and answer the subjoined queries fully and accurately, or the case will not be acted upon.

Very respectfully,

JAMES N. TYNER,
First Assistant Postmaster General.

To Mr. R. S. Furbach,
care of the Postmaster of _____, who will please forward to him.

The proposed office to be called Wave
Muller Cross Roads

The name of the candidate for postmaster should not be applied as the name of a post office. It is preferable to have some LOCAL or PERMANENT name, which must not be the name of any other office in the State; and you should aim to select a name not appropriated to any office in the United States.

It will be situated on the _____ quarter of Section _____ Township _____ Range _____, in the County of Brockton, State of Kentucky.

It will be on cross route No. 20430, being the route from Falmouth to _____, on which the mail is now carried _____ times per week. except Sunday

The contractor's name is J. H. Davis, Sub Contractor James Hofferbach

Will it be directly on this route?—Yes

If not, how far from, and on which side of it?—None

How much will it INCREASE the travel of the mail one way each trip?—None

Where will the mail leave the present route to supply the proposed office?—None

Where intersect the route again?—None

What post office will be left out by this change?—None from Bowling Green to changed to this

If not on any route, is a "Special Office" wanted?—Yes

The name of the nearest office to the proposed one, on the same route, is Falmouth South direction from the proposed office, its distance is 6 1/2 miles, in a _____ direction from the proposed office.

The name of the nearest office on the same route, on the other side, is Falmouth North direction from the proposed office, its distance is 4 1/2 miles, in a _____ direction from the proposed office.

The name of the nearest office to the proposed one, not on this route, is Berlin North direction from the proposed office, distance by the most direct road 5 miles, in a _____ direction from the proposed office.

The name of the most prominent river near it is Lick River

The name of the nearest creek is Kincaid Creek

The proposed office will be 9 miles from said river, on the East side of it, and will be 1 miles from said nearest creek, on the South side of it.

If near a railroad, state on which side the office will be located, how far from, and the name of the station or depot—Nearest Rail Road at Falmouth South East side

If it be a village, state the number of inhabitants—only a few around Office

Also, the population to be supplied by proposed office—one Newcomer

A diagram or sketch from a map, showing the position of the proposed new office, with neighboring river or creek, roads, and other post offices, towns, or villages near it, will be useful, and is therefore desired.

A correct map of the locality might be furnished by the county surveyor, but this must be without expense to the Post Office Department.

ALL WHICH I CERTIFY to be correct and true, according to the best of my knowledge and belief, this 27th day of Sept, 1879.

(Sign full name.) R. S. Furbach, Proposed P. M.

I CERTIFY that I have examined the foregoing statement, and that it is correct and true, to the best of my knowledge and belief.

POST OFFICE DEPARTMENT,
TOPOGRAPHER'S OFFICE,

Washington, August 22, 1885.

Sir: To enable the Topographer of this Department to determine, with as much accuracy as possible, the relative positions of Post Offices, so that they may be correctly delineated on its maps, the Postmaster General requests you to fill up the spaces and answer the questions below, and return the same, verified by your signature and dated, under cover to this Office.

Respectfully, &c.,

W. L. Hildren
Topographer P. O. Dept.

To POSTMASTER AT Peavee
Bracken Co.
Kentucky

The (P. O. Dept.) name of my Office is Mediot

* Its local name is _____
It is situated in _____ part of _____ Township, or in _____ quarter of Tract No. _____
Township, County of _____, State of _____

The name of the most prominent river near it is Sinking River

The name of the nearest creek is Knirkade

This Office is 4 miles from said river, on the East side of it, and is _____ miles from said nearest creek, on the South side of it.

The name of the nearest Office on route No. 2013 is Knirkade, and its distance is 3 1/2 miles, by the traveled road, in a Westward direction from this my Office.

The name of the nearest Office, on the same route, on the other side, is Portersville and its distance is 6 miles in a Eastward direction from this my Office.

The name of the nearest Office off the route is Baghe-bone Post, and its distance by the most direct road is 3 1/2 miles in a South West direction from this my Office.

This Office is at a distance of _____ miles from the Falmouth Station of the Central Railroad, on the East side of the railroad.

State, under this, the names of all other Offices near your Office, in different directions from it, and their distances from it by the most direct roads.

* If the town, village, or site of the Post Office be known locally by another name than that of the Post Office, state that other name here, that it may be identified on any published map of the State (or Territory,) if appearing thereon.

A diagram of the township (or, where the land is not so divided, a sketch map,) showing the precise location of your Office, together with the adjoining Post Offices, towns, or villages, the roads, railroads, and larger streams or creeks, in addition to the above verbal description, will be useful, and is desired.

A correct map of the locality and adjacent country might be furnished by your County Surveyor, but this must be without expense to the Post Office Department; it being, however, for the general interest and advantage of the community to have the Post Offices correctly located on the maps, it may be expected that this will be cheerfully furnished on proper application.

State (on margin of this sheet) whether there is on file at your county seat (court-house), or in the hands of your County Surveyor, a Map of the county.

State also the present Surveyor's name and Post Office address.
