

POST OFFICE DEPARTMENT,

TOPOGRAPHER'S OFFICE,

Washington,

May 15th, 1883.

Sir:

To enable the Topographer of this Department to determine, with as much accuracy as possible, the relative positions of Post Offices, so that they may be correctly delineated on its maps, the Postmaster General requests you to fill up the spaces and answer the questions below, and return the same, verified by your signature and dated, under cover to this Office.

Respectfully, &c.,

W. L. Wilson

Topographer P. O. Dept.

To POSTMASTER AT Rock Spring,
Bracken Co.,
Kentucky

(Formerly
Tietzville)

The (P. O. Dept.) name of my Office is

* Its local name is

It is situated in W. W. part of Bracken Township, or in Ohio quarter of Tract No.

Township, County of Bracken, State of Ky

The name of the most prominent river near it is

* If the town, village, or site of the Post Office be known locally by another name than that of the Post Office, state that other name here, that it may be identified on any published map of the State (or Territory,) if appearing thereon.

A diagram of the township (or, where the land is not so divided, a sketch map,) showing the precise location of your Office, together with the adjoining Post Offices, towns, or villages, the roads, railroads, and larger streams or creeks, in addition to the above verbal description, will be useful, and is desired.

A correct map of the locality and adjacent country might be furnished by your County Surveyor, but this must be without expense to the Post Office Department: it being, however, for the general interest and advantage of the community to have the Post Offices correctly located on the maps, it may be expected that this will be cheerfully furnished on proper application.

State (on margin of this sheet) whether there is on file at your county seat (court-house), or in the hands of your County Surveyor, a Map of the county. None there

State also the present Surveyor's name and Post Office address.
