INSTRUCTIONS RELATIVE TO NAMES OF POST OFFICES.

Attention is called to the following order issued by the Postmaster General, dated April 9, 1894:

"ORDERED, No. 114.—To remove a cause of annoyance to the Department and injury to the Postal Service in the selection of names for newly established post offices, it is hereby ordered, that from this date only short names or names of one word will be accepted. There may be exceptions when the name selected is historical, or has become local by long usage, but the Department reserves the right in such cases to make the exception or not as it sees proper. Names of post offices will only be changed for reasons satisfactory to the Department."

The prefix of "East," "Old," "New," "North," "South," or "West," to the name of a post office is objectionable; as also is the addition of "Burg," "Center," "City," "Corners," "Creek," "Cross Roads," "Depot," "Hill," "Hotel," "Hollow," "Junction," "Mill," "Mound," "Peak," "Plains," "Point," "Port," "Prairie," "Rock," "River," "Run," "Ridge," "Store," "Station," "Springs," "Town," "Vale," "Valley," or "Village," and all other prefixes or additions, as such prefixes or additions are liable to lead to confusion and delay in transmission of the mails.

Delay may often be avoided by here submitting in order of preference several names as the one first selected may be rejected by the Department.
