DIAGRAM, EXPLANATION, AND INSTRUCTIONS.

The dot in the center of the 1-mile circle represents the site of your office. The surrounding offices should be carefully located by placing dots at the exact distances.

The surrounding offices should be carefully located by placing dots on or between the mile circles at the exact distance, and in the right direction from your office, and this should be written.

If it should be necessary to designate an office which is over 10 miles from your site, place the dot outside of the 10-mile circle, write the name of such office, and state its distance from your site.

Draw distinctly the railways, roads, rivers, and creeks.
