

POST OFFICE DEPARTMENT,

TOPOGRAPHER'S OFFICE,

Washington, August

Sir:

To enable the Topographer of this Department to determine, with as much accuracy as possible, the relative positions of Post Offices, so that they may be correctly delineated on its maps, the Postmaster requests you to fill up the spaces and answer the questions below, and return the same, verified by your signature and dated, under cover to this Office.

Respectfully, &c.,

W. L. Chisholm

Topographer P. O. Dept.

To POSTMASTER AT

Stewartsville
Grant Co.
Kentucky

The (P. O. Dept.) name of my Office is

Stewartsville

* Its local name is

Stewartsville

It is situated in

Central

part of

the

Township, or in

quarter of Tract No.

Township, County of

Grant

State of

Kentucky

The name of the most prominent river near it is

the river

The name of the nearest creek is

Clark's Creek

This Office is *about* miles from said river, on the

North

side of it, and is

about miles from said nearest creek, on the

South

side of it, *Clark's Creek*

The name of the nearest Office on route No.

is Clark's Creek

, and its

distance is miles, by the traveled road, in a

Western

direction from this my Office.

The name of the nearest Office, on the same route, on the other side, is

Millington

and its distance is

Six

miles in a

Eastern

direction from this my Office.

The name of the nearest Office off the route is

Mason

, and its

distance by the most direct road is

Seven

miles in a

Southern

direction from this my Office.

This Office is at a distance

from the

Mason

Station of

O. & T. P. R. R.

Railroad, on the

West side of the railroad.

State, under this, the names of all other Offices near your Office, in different directions from it, and their distances from it by the most direct roads.

* If the town, village, or site of the Post Office be known locally by another name than that of the Post Office, state that other name here, that it may be identified on any published map of the State (or Territory), if appearing thereon.

† A diagram of the township (or where the land is not so divided, a sketch map,) showing the precise location of your Office, together with the adjoining Post Offices, towns, or villages, the roads, railroads, and larger streams or creeks, in addition to the above verbal description, will be useful, and is desired.

A correct map of the locality and adjacent country might be furnished by your County Surveyor, but this must be without expense to the Post Office Department; it being, however, for the general interest and advantage of the community to have the Post Office correctly located on the maps, it may be expected that this will be cheerfully furnished on proper application.

State (on margin of this sheet) whether there is no file at your county seat (court-house), or in the hands of your County Surveyor, a Map of the county.

State also the present Surveyor's name and Post Office address.

(Signature of Postmaster.)

J. C. Chisholm
Sept. 1st 1885

(Date.)
