Post Office Department,

OFFICE OF THE ASSISTANT P. M. GENERAL,

Appointment Division,

WASHINGTON, D. C., Aug 12, 1891

Sir: Before the Postmaster General decides upon the application for the establishment of a post office at Crescent Springs County of Horton, State of Ky, it will be necessary for you to carefully answer the subjoined questions, get a neighboring postmaster to certify to the correctness of the answers, and return the location paper to the Department, addressed to me. If the site selected for the proposed office should not be on any mail route now under contract, only a "Special Office" can be established there, to be supplied with mail from some convenient point on the nearest mail route by a special carrier (see section 733, Postal Laws and Regulations of 1887), for which service a sum equal to two-thirds of the amount of the salary of the postmaster at such office will be paid by the Department.

You should inform the contractor, or person performing service for him, of this application, and require him to execute the inclosed certificate as to the practicability of supplying the proposed office with mail, and return the same to the Department.

Very respectfully,

Eliza Bird wife of J. H. Bird
