

# Second Request

(No. 40.)

TOPOGRAPHER.

Post Office Department,

CONTRACT OFFICE.

Washington, April 24<sup>th</sup>, 1876

SIR:

To enable the Topographer of this Department to determine, with as much accuracy as possible, the relative positions of Post Offices, so that they may be correctly delineated on its maps, the Postmaster General requests you to fill up the spaces and answer the questions below, and return the same, verified by your signature and dated, under cover to this Office.

Respectfully, &c.,

J. P. N. Snyder

Second Assistant Postmaster General.

TO POSTMASTER AT

White House

Keeton les.

Kentucky

The (P. O. Dept.) name of my office is

\* Its local name is formerly Saloma Springs

It is situated in

County of

Keeton

State of

Kentucky

Township,

The name of the most prominent river near it is

Ohio

The name of the nearest creek is

Bank Sick

This office is  $3\frac{1}{2}$  miles from said river, on the

South

side of it, and is one eig.

miles from said nearest creek, on the west side of it.

which is Bank S

The name of the nearest office on route No.

is

Scolls

, and its

distance is five miles, by the traveled road, in a south

direction from this my office. White

The name of the nearest office, on the same route, on the other side, is

Coving ton

and its distance is 3 miles in a

South

direction from this my office. White

The name of the nearest office off the route is

Florence

, and its

distance by the most direct road is

Six

miles in a West direction from this my office. White

This office is at a distance of

two m

from the Maurice Station of

the

St Louis

Railroad, on the

West

side of the railroad.

State, under this, the names of all other offices near your office, in different directions from it, and their distances from it by the most direct roads.

\* If the town, village, or site of the Post Office be known locally by another name than that of the Post Office, state that other name here, that it may be identified on any published map of the State, (or Territory,) if appearing thereon.

† A diagram of the township, (or where the land is not so divided, a sketch map,) showing the precise location of your office, together with the adjoining Post Offices, towns, or villages, the roads, railroads, and larger streams or creeks, in addition to the above verbal description, will be useful, and is desired.

A correct map of the locality and adjacent country might be furnished by your County Surveyor, but this must be without expense to the Post Office Department; it being, however, for the general interest and advantage of the community to have the Post Offices correctly located on the maps, it may be expected that this will be cheerfully furnished on proper application.

State (on margin of this sheet) whether there is on file at your county-seat, (court-house,) or in the hands of your County Surveyor, a Map of the county.

State also the present Surveyor's name and the Post Office address.

(Signature of Postmaster.)

George Waldman
