

(BOL.)

Post Office Department, TOPOGRAPHER'S OFFICE,

Washington, D. C., Oct 12, 1892.

Sir:

To enable the Topographer of this Department to determine, with as much accuracy as possible, the relative positions of Post Offices, so that they may be correctly delineated on its maps, the Postmaster General requests you to fill up the spaces below, and the diagram on fourth page, returning the same, verified by your signature and dated, under cover to this Office.

Respectfully, &c.,

C. Roesser
Topographer P. O. Dept.

TO POSTMASTER AT

Elizabethville
Caldwell Co.
Ky.

The (P. O. Dept.) name of my Office is Elizabethville

Its local name is Elizabethville

It is situated in the quarter of Section No. in Township

(north or south), Range (east or west), County
of Madison, State of Ky.

The name of the most prominent river near it is Looking glass

The name of the nearest creek is Spring Creek

This Office is four miles from said river, on the west side of it, and is four miles from said nearest creek, on the east side of it.

The name of the nearest Office on route No. 2327 is Griffith, and its distance is four miles, by the traveled road, in a westerly direction from this, my Office.

The name of the nearest Office, on the same route, on the other side, is Johnson, and its distance is four miles in a westerly direction from this, my Office.

The name of the nearest Office of the route is Lexington Ridge, and its distance by the most direct road is four miles in a westerly direction from this, my Office.

This Office is at a distance of four miles from the Railroad Station of the Ky. Central Railroad, on the west side of the railroad.

State, under this, the names of other Offices near your Office, in different directions from it, and their distances from it by the most direct roads.

* If the town, village, or site of the Post Office be known by another name than that of the Post Office, state that other name here, that it may be identified on the map of the State (or Territory).

† If a diagram of the township and sections (or, where the land is not so divided, a sketch map), showing the precise location of your Office, together with the adjoining Post Offices, towns, or villages, the roads, railroads, and larger streams or creeks, in addition to the above, will be useful, and is desired.—(See diagram blank accompanying this, to be filled up.)
